

School is not child's play for everyone!

Going to 'Big School' is a big thing

Are you worried about your child's inability to:

- Behave
- Sit and listen
- Be with other children
- Follow adult directions
- Learn in a group

We are early years specialists with 20 years experience in supporting children into school and have now designed a programme, originally for children with autism, for 2 to 6 year olds.

Starting from just **6 sessions**, we can help your child to be a better team player and a happier school learner!

Sessions run twice weekly; are delivered by experts in attention and behaviour and include after school and Saturdays for school attenders.
